

Introducing a big, bright future for your office from Seamless Solutions

Seamless Solutions, Houston's premier office equipment dealer, is proud to announce our newest product line... color and black and white printers, MFP's and solutions from Lexmark.

Compact and reliable, Lexmark printers and MFPs bring serious performance benefits to small and midsize workgroups. Be more efficient with powerful productivity tools and cost-saving workflow solutions. Large, intuitive color touch screens give you amazingly simple access to a rich range of features, including duplex scanning, advanced copying and faxing.

Special Introductory Offer

Trade in any HP, Dell or brother printer or MFP against a new Lexmark Black and White or Color Laser printer or MFP and receive \$50 off the purchase price.

Act now, limited time offer

Outstanding versatility

One size never fits all. That's why Lexmark offers you more models, more options, more versatility and more functionality for a truly customized solution. Choose from a wide range of flexible models and features to achieve a perfect fit for your business.
